Editor, Torrance Herald:
 On behalf of the 105 teenage participants in the 10th Annual Youth Safety Run, may I thank you and your staff for their excellent cooperation and coverage of this year's run.
 We feel that this year's run was the most successful yet. Next year we hope that our participating boys will do even better than the nine South Bay boys did this year.
 While awaiting next year's competition, the members of the police-sanctioned car clubs will continue to demonstrate that the teen-age driver can drive safely.
 Thank you again for this year's great cooperation.
 A. L. JACKSON,
 Safety Run Co-ordinator

Editor, Torrance Herald:
 On behalf of the Board of Directors, patients, and volunteers of the City of Hope, may I express our warm appreciation and sincere thanks for your help in making our 1963 "Hope Sunday" campaign one of the best publicized and most effective in our 50-year history.
 Our marchers have reported that news coverage helped make many aware of the program and purpose of the City of Hope. This, of course, resulted in increased support for our cause and it appears that our drive has been successful.
 We are deeply appreciative of the support your newspaper gave us in this campaign.

Cordially yours,
 SEYMOUR GRAFF,
 President
